## ROBOEXOTICA

edition mono/monochrom, Wien, 2008. Softcover. Condition: Neu. 1. Auflage. ROBOEXOTICA: The Festival for Cocktail Robotics Although today robots have lots of different applications, they are still rarely involved in interactions with human end-users. The steady progress in the development of service and helper robots which has been made in the last couple of years seems very promising, though. While for quite some time now robots have been assembling cars in the blink of an eye, towards the end of the...
