

## Stop Living in Isolation: How Treating Hearing Loss Can Change Your Life, Maintain Your Independence, and May Reduce Your Risk of Dementia (Paperback)

By Dr Keith N Darrow Phd

Eia Media Group, LLC, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A new book by M.I.T and Harvard Medical School trained Neuroscientist and Clinical Audiologist Dr. Keith N. Darrow - one of the top specialists in his field who continues to reach great heights of quality health care and treatment in audiology -- a brilliantly informative and profoundly practical book about hearing loss which reveals Dr. Darrow s innovative approach to medically treating the cognitive aspects of hearing loss for individuals of all ages. In this day and age of modern medicine, approximately 48 million people suffer from hearing loss and the associated cognitive impairments which go along with it. Yet, it doesn t need to be this way! Dr. Darrow has now joined the ranks of successful authors who care about your physical and mental health as you age. He always says, Aging is inevitable, but decline is optional. Stop Living in Isolation is set to be a game changer as those affected by hearing loss learn the correlation between it and the mind-robbing diseases of dementia, depression, social isolation and a sedentary lifestyle. Dr. Darrow, between his numerous years of continuing...
