(Louie Will)

QUILLWORK: THE CRAFT OF PAPER FILIGREE (PAPERBACK)

ROWMAN LITTLEFIELD, United States, 1975. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Quillwork began in Europe around the 13th century as a paper imitation of gold and silver filigree work. In this vintage book, originally published in 1975, Janet and Alex D Amato have evolved traditional quilling into a delightful and whimsical craft. They show you how to make quillwork jewelry, wall-hangings, Christmas ornaments, gift wrap decorations-even quilled Valentines, place cards, mobiles and paperweights. The materials are so inexpensive and the techniques so simple, that quillwork is truly a craft for all ages and budgets. Line drawings and photographs throughout the book provide inspiration and clarification.
