Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Peter s Progress Life parti-coloured, half pleasure, half care. G-rrr! The malice, oh, the malice of inanimate matter! exclaimed Peter Dare angrily as he leant down to retrieve a recalcitrant collar-stud that had taken up a strong position under the chest-of-drawers. He was the senior subaltern of the Westshire Regiment, stationed at Ghazipur in the Punjab, this tall, good-looking boy who was railing so comprehensively at things in general, and in particular at that majestic force which rules the universe - compelling alike constellations and collar-studs - the inexorable Law of Gravitation. Frightfully late for dinner he was; there was not the slightest doubt about that! It was entirely his own fault, too, for he had lingered very much longer than he ought to have done at the club, talking to Mrs Curtis, the judge s wife. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
