PERMANENCE CHOICE

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A young girl chases down clues in a dream maze, shrunk to a tiny size and running for her life from burning dollhouses and flying projectiles at night, while evading the mob s watchful eye by day. Some most unexpected family friends help her and her mother finally make a break for freedom. Short, sweet, and unbelievably imaginative, The Scent of Yellow Flowers is a story for anyone who has ever been lost and needed to be found. In the animal fable The Day The Cows Came Home, the farmer s wife has died, the farmer sells the farm, and the world falls into war. At the abandoned farmhouse, deep in the Finnish wintertime when nothing ever seems to change, the animals are on a quest to understand if time is at an end and they with it-only to discover time itself is not what they assumed. The Man in the Moon holds on while the grumpy moon tries to shake him off. His friends the stars urge him to jump, but something holds The Man in the Moon in the Twilight in the Firmament. But soon, the universe begins to change, and The Man in the Moon is off on a fabulous adventure to discover the beauty of the existence around him, and how his choices and those of other beings shape space and time. Permanence Choice is a collection of contemplative fantasy stories all about what it is to be lost and found again, and how our own choices shape the world.
