## MULTIPLE SCLEROSIS AND FAMILY FUNCTIONING

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Parent/Patient, Spouse, and Adolescent Child | Surprisingly little research exists concerning parenting and family life when a parent has a chronic illness. This study expands the existing research base by examining intact families that include a parent diagnosed with multiple sclerosis, using a valid and reliable measure of family functioning to determine differences between families with MS and comparison families, as well as differences in functioning within families with MS. Participant families..
