RULES OF THE KILL

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Three men have been executed in a very distinctive fashion and it s up to FBI Special Agent Chloe Mather to bring their talented killer to justice. The murderer is no dull boy. He s that one in a million psychopath with the brains, discipline, and originality, to take life after life and leave the authorities dumbfounded. Like most serial killers he lives for the rush and it takes a bigger thrill to get him off each successive time. His elaborately staged kills are nothing short of genius and the tableaux he creates taunt law enforcement s best and brightest. It s not enough for his victims to die; this villain seduces his marks with a game, a game designed to lure each man to his death. Mather must build a composite of a murderer no one has ever seen and become expert at his bizarre MO. What begins as a cold case builds quickly into an inferno, but is Mather the hunter or the hunted? Find out why this monster is so terrifyingly lethal in Rules of the Kill.
