Hal Leonard Corporation, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. (Book). No one was closer to Michael Jackson at the height of his creative powers than Bruce Swedien, the five-time Grammy winner who, with Jackson and producer Quincy Jones, formed the trio responsible for the sound of Jackson's records that topped the charts and shook the world. Friend, co-creator, and colleague, Bruce Swedien was a seasoned recording engineer plucked from a job at legendary Universal Audio in Chicago when he began working with Michael Jackson and Quincy Jones on the soundtrack to *The Wiz*, and he was the master technician who gave the records their sound as the trio progressed to Jackson's greatest triumphs, *Off the Wall* and the iconic, history-making *Thriller*, which revolutionized music and video and fixed Jackson in culture as the King of Pop. *In the Studio with Michael Jackson* is the chronicle of those times, when everything was about the music, the magic, and the amazing talent of a man who changed the face of pop music and culture forever. In his laid-back style, Bruce Swedien offers anecdotes about being part of Quincy Jones' extended family and reveals the technical details of creating Michael Jackson's biggest-selling albums, as well as *Bad*, *Dangerous*, and *HIStory* . Including over 100 photos, *In the Studio with Michael Jackson* provides an insider's look that will thrill anyone interested in the nuts and bolts of hit making and the history of some of America's most influential music.
