Hachette Children s Group, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. Extreme weather dominates news bulletins around the world. From tsunamis to superstorms, floods to wild fires, natural disasters affect people globally on a daily basis. Floods, and their deadly consequences, have hit the headlines over the past decade as countries around the world have been affected by serious flooding. Find out about the disaster recovery effort immediately after each event, how aid reaches affected areas, and where it comes from. See how communities fare in the immediate aftermath, how they cope with damage to infrastructure and homes, lack of basic necessities and, in...
