Thee, of stars A ship of dead with iced men who shatter; The Terror sails into the Port of London during England s worst winter, bringing insidious ice fog and a hidden killer. Secret Commission agents, Artifice, the artificial ghost, and Jim Dastard, the animated skull, track their murderer to the frozen Thames Frost Fair, only for Art to discover a deadlier danger-one involving the women she holds dear. F/F historical fantasy and Gothic mystery set in the steampunk world of the Dark Victorian series. Smart. Engaging. The fog creeps off the page. - Melanie Karsak, author of the Amazon best-selling steampunk series, The Airship Racing Chronicles Experience paranormal detective mysteries with a Victorian female sleuth: A historical fantasy in a mechanical and supernatural London, follow the adventures of an uncanny female sleuth and her senior skull partner set in the same alternate world as Elizabeth Watasin s Victorian supernatural mystery series, The Elle Black Penny Dreads. Learn more about this intriguing, steampunk lesbian series: It is 1880; black arts sorcery had its time to grow in England and to battle the eldritch evils threatening, HRH Prince Albert s Secret Commission is born. Executed criminals are brought back to life without memories and to fight as agents. Among those resurrected is Artifice, a six foot two tall strongwoman, Quaker, and artificial ghost, guided by her senior partner, Jim Dastard, the animated skull. And she soon discovers-from her encounters with a madwoman journalist, a mysterious woman in black, and a French prostitute-where her heart lies . . . ICE DEMON is a penny dreadful from storyteller Elizabeth Watasin, who delights in bringing you shilling shockers immersed in Gothic Victorian mystery, women detectives,...
