A collection of FIVE erotic short stories about adventures on vacation! Contents Story One: Villa Escape. It was the holiday of a lifetime, and the two friends couldn't believe their luck when they won the competition! They were determined to make the most of it! Story Two: The Captains Table She deserved a holiday, so being pampered in luxury on a cruise seemed perfect. Little did she know she would catch someone's eye who wanted to do a lot more to her than merely pamper! Story Three: The Hunt. To her, the countryside was her haven of peace and tranquillity. If people put up fences to stop her rambles, she would climb them; she was not going to be dictated to! Some fences are better left WELL alone! Story four: Off-Piste She wanted excitement, and she found it on the slopes of the Alps. What she didn't count on was getting lost, and spending the night in a shepherd's hut! Story Five: Watcher The sun and breeze made her feel a little adventurous; the beach was empty after all, so who would know?.
