Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Cultivated Heart explores the parable of the Sower. The condition of man's heart is reflected by the conditions of the soils spoken of by Christ in the parable. There is a cultivation process that takes place when we eat of the Word and digest it. We are what we eat. It is not only true when we are speaking of food. When we consume the Word, the Word becomes a part of our very being. It is our responsibility to study the Word and because it is a living Word it will continue to cultivate our hearts, so that we will be in the perfect will of Yah. Spreading the gospel and being a mature witness on the behalf of the Kingdom. This book was written as a study tool for the body of Christ. In studying the Kingdom Parable of the Sower we pray that you-the reader-will be able to plunge into your inherited position as a predestined ruler on earth. I Cor. 4:20 reads: For the kingdom of Yah is not in word but in power. We just can't talk the talk we have to walk the walk. (James 1:22) Talking the talk is religion, walking the walk is taking authority. I pray that your mind will be renewed as you study the message of Yahshua. The Sower.
