Spiritualism is not about fraudulent psychics and fortunetellers. It s not about communication with demonic spirits as I was taught by other churches. It s about the reason we are here, proof of continued life, and it s about following the Laws of Nature: God s laws. It s something that, if fully understood and practiced by all, would bring peace to our world. The Christian Church introduced me to The Way. Spiritualism has revealed so much more to me about the Spirit.
