

## A Skeleton in the Family (Paperback)

By Leigh Perry

Berkley Books, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Most families have skeletons in their closets. Moving back into her parents house with her teenage daughter had not been Georgia Thackery's Plan A. But when she got a job at the local college, it seemed the sensible thing to do. So she settled in and began reconnecting with old friends. Including Sid. Sid is the Thackery family's skeleton. He's lived in the house as long as Georgia can remember, although no one, including Sid, knows exactly where he came from and how he came to be a skeleton. Sid walks, he talks, he makes bad jokes, he tries to keep Georgia's dog from considering him a snack. And he manages to persuade Georgia to let him leave the house. But when she takes him to an anime convention--disguised as a skeleton, of course--he sees a woman who triggers memories of his past. Now he is determined to find out how he died--with Georgia's help. But their investigation may uncover a killer who's still alive and well and bad to the bone. FIRST IN A NEW MYSTERY SERIES!.
