Piling everything she owns into her car, Lanie leaves family and friends behind - all so her husband can realise his dreams of becoming a professional musician. But, somewhere in the eye of her personal hurricane, it hits Lanie that she once had dreams too. If only she could remember what they were. Fifteen years, three babies, and more pounds than she s willing to count after she said I do , Lanie longs desperately to feel like her old self again. It s time to fish her va-va-voom out of the nappy bin and find the woman she was before motherhood capsized her existence - harder said than done, when by finding herself she seems to be losing everything else in the process.
