Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A book of poems and song lyrics. It always amazes me when poems or songs take shape. A line comes to my mind, usually not bidden nor sought. From that seed, another line and then another until something takes shape and expresses something that was under the surface similar to a dream that forms in the night to reveal an unconscious thought or emotion, or if even just to shuffle the events of the day. It is easy to believe in the Muses for it comes from who knows where? It just is. And then looking at it, we say, ah, that s it. I like my poems and songs and to me that is all that matters. I would love it if others did as well, but that is not necessary. All that s necessary is that they are mine and I am satisfied. The Title Poem I saw the edge of what I know the edge and just beyond Beyond where words have lost all meaning And thoughts refuse to form Where mystic truths reveal the moment The moment and then it s gone I saw the edge of what I know the moment and not beyond.
