Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.

Thomas Nelson Publishers. Paperback. Book Condition: new. BRAND NEW, Dancing with Fireflies, Denise Hunter, Jade returns home to Chapel Springs after years of protecting her fragile heart. Then along comes Daniel, making her long to dance again. Growing up in the midwestern river town of Chapel Springs, Indiana, Jade McKinley felt like a weed in a rose garden. When she left, she thought she'd never look back. Now, pregnant, alone, and broke, she has no other choice but to return. The mayor of Chapel Springs, Daniel Dawson, has been an honorary member of the McKinley family for years. While his own home life was almost nonexistent, Daniel fit right in with the boisterous McKinley family. He's loved Jade for years, but she always thought of him as a big brother. Now that she's back, his feelings are stronger than ever. As Jade attempts to settle in, nothing feels right. God seems far away, she's hiding secrets from her family, and she's strangely attracted to the man who's always called her "squirt." Returning home may prove more difficult-and more wonderful-than she ever imagined. Includes Reading Group Guide. "Hunter's latest Chapel Springs Romance is a lovely story of lost and found, with a heroine struggling to accept that trusting God doesn't make life perfect-without loss or sorrow-but can bring great joy. The hero's love for her and willingness to lose her to save her is quite moving." -RT Book Reviews, 4 stars (on Barefoot Summer).
