By Paul Stiles

HarperCollins Publishers Inc, United States, 2005. Hardback. Condition: New. Language: English . Brand New Book. Have you ever questioned the hyperactivity, the stress, and the competition of your daily life? Are you constantly fighting the pressures that surround you: the time demands, the way people relate to one another, the working hours, the long commute? Have you ever wondered if you should be living a different life -- but feel powerless to escape the way things are ? In this groundbreaking work, Paul Stiles puts forth a simple idea with tremendous repercussions. Drawing on a decade of research and incorporating numerous photographs and illustrations, he shows that what we commonly refer to as the market is more than just an economic means of distribution. For the first time, we see the free market not as an unlimited good but as a Jekyll-and-Hyde creature that creates material prosperity at a heavy price. Here, in the unbridled rule of the market over modern life, lies the source of so many of our current ills: the spread of sprawl, widespread environmental damage, the corruption of corporate life, and the polarization of politics. Stiles illustrates how the market constitutes a belief system unto itself, one...

Reviews

Comprehensive guide for pdf lovers. It generally is not going to charge too much. You may like just how the article writer write this book.
-- **Neva Hammes MD**

Unquestionably, this is actually the very best job by any article writer. I have read and that i am certain that i am going to planning to go through once again once more in the foreseeable future. I realized this publication from my i and dad advised this pdf to find out.
