

Can China Lead: Reaching the limits of power and growth

By Regina M. Abrami, William C. Kirby, F. Warren McFarlan

Harvard Business Review Press. Hardback. Book Condition: new. BRAND NEW, Can China Lead: Reaching the limits of power and growth, Regina M. Abrami, William C. Kirby, F. Warren McFarlan, It's time to rethink the way we think about China. In this thought-provoking book, noted China experts from Harvard Business School and the Wharton School assert that while China has experienced remarkable economic growth in recent decades (nearly 10 percent for more than thirty years), it now faces major challenges--tests that could shift the country's political and economic trajectory. A lack of accountability, transparency, and ease of operating in China--combined with growing evidence of high-level corruption--has made domestic and foreign businesspeople increasingly wary of the "China model." These issues have deep roots in Chinese history and the country's political system. Regina M. Abrami of the Wharton School and William C. Kirby and F. Warren McFarlan of Harvard Business School contend that the country's dynamic private sector could be a source of sustainable growth, but it is constrained by political favoritism toward state-owned corporations. Disruptive innovation, research, and development are limited by concerns about intellectual property protection. Most significant of all is the question of China's political future: does a system that has...
