## WHAT PROHIBITION HAS DONE TO AMERICA (PAPERBACK)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What Prohibition Has Done to America Creating a Nation of Lawbreakers By Fabian Franklin Prohibition in the United States was a national ban on the sale, production, and transportation of alcohol, in place from 1921 to 1933.[1] The dry movement was led by rural Protestants in both political parties and was coordinated by the Anti-Saloon League. The ban was mandated by the Eighteenth Amendment to the Constitution, and the Volstead Act set down the rules for enforcing the ban and defined the types of alcoholic beverages that were prohibited. Private ownership and consumption of alcohol was not made illegal under federal law, but in many areas local laws were stricter and some states banned possession outright. Prohibition ended with the ratification of the Twenty-first Amendment, which repealed the Eighteenth Amendment, on December 5, 1933. Organized crime received a major boost from Prohibition. Mafia groups limited their activities to prostitution, gambling, and theft until 1920, when organized bootlegging emerged in response to the effect of Prohibition. A profitable, often violent, black market for alcohol flourished. Powerful criminal gangs corrupted law enforcement agencies, leading to racketeering. In essence, prohibition provided a financial basis for organized crime to flourish.
