PINUP QUEEN: A PHOTOGRAPHIC PINUP SERIES BY MICHAEL ENOCHES (PAPERBACK)

Michael Enoches, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Pinup Queens is a tribute photographic book using models of today to bring back the feel, look and love for the pinup queens past present and future. As seen through the lens of Michael Enoches an east coast photographer based in New Jersey next to NYC. In this volume we feature Amelia Jean and up and coming model based on the west coast. Hi, I m Amelia Jean, new to pinup modeling this year. I didn t seek out pinup modeling, it found me and once it did, there was no holding back. I grew up around auto-body shops and can remember from a young age the calendars and posters on the walls of the shops and couldn t imagine I would be a part of it one day. The women were so beautiful! My real name is Amelia, but everyone called me Amy growing up. When it was suggested I pick a name for modeling, things just clicked and I chose my real name. Amelia always felt classic to me, which makes perfect sense now, as I m a fan of all things classic and retro. Don t get me wrong, I love doing all sorts of artistic photography and consider myself a bit of a chameleon trying new things. My biggest inspiration is Bettie Page. She was fearless, strong, creative and had an infectious smile. When I found out she made her own costumes, I was hooked! I love creating my own pieces when I can and I love to laugh and smile. I hope you enjoy following my journey!.
