Excerpt from Marqueray s Duel Honorable Members coughed and cleared their throats softly all over a dwindling House. The distinguished solitary tenant of the Treasury Bench leaned back, folded his arms, put up his feet against the table, and gaped as though he would have liked to swallow the Honorable Member at present holding the floor. In the Strangers Gallery, which had been packed to listen to Yarborough s defense of his South American policy, one man after another got up and went out. From the seats allotted to the private secretaries of cabinet ministers, Aubrey West, in the middle of a sympathetic yawn, caught a nod and something very like a wink from his sardonic chief, and escaped like a boy let out of school. From the dim, roof-lighted sanctuary of the House, from its droned monologue and hushed footfalls, he came forth into the roar and glitter of the night life of London. The Westminster chimes had just finished striking a quarter to eleven; their plaintive tones were still floating high in air. About the Publisher Forgotten Books...
