## L EPOPEE MARTIENNE, LES TITANS DU CIEL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. - la bibliographie Theo Varlet -Ses principales oeuvres - La paix regne en 1978 dans le monde desarmes des Etats-Unis du globe. La science progresse a grands pas, et l'on parvient bientôt a echanger des messages avec Jupiter, puis Mars. Profitant de la naivete de Terriens devenus pacifiques, les Martiens belliqueux commencent a attaquer la Terre avec de terribles obus qui sement la mort sur la totalite du globe. Les passions se dechainent et les plus bas instincts resurgissent. Le publiciste Leon Rudeaux, sa compagne Raymonde et son ami pilote Sylvain Leduc vont sillonner la planete en mission pour l'embryon de gouvernement planetaire survivant afin d'organiser la resistance et de combattre l'anarchie galopante au milieu des ruines de la civilisation humaine. Mais que faire contre la toute-puissance de la technologie martienne, meme avec l'aide de Jupiter qui prend fait et cause pour la Terre ? Un roman ou l'on sent l'influence de La Guerre des mondes (qui y est d'ailleurs cite), mais dans un registre different, plus noir, plus effrayant. Probablement un sommet de la litterature de science-fiction francaise.
