Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It's not about where you've been or where you're from. The only thing that really matters is where you're going. From as far back as she could remember, pain has always been a part of Deja's life. Growing up on the Southside of Dallas, Texas, struggling to fit into a world that constantly dealt her blow after blow; from being sixteen and pregnant to losing the father of her child, and dealing with a sister that did everything in her power to make Deja's life a living hell. Through everything, she's found the strength to push through adversity and follow her dreams. Everything seems right until the sudden reappearance of Delia threatens to destroy all the joy she's obtained. Ariel is a rebel. Always has been and she didn't think that she would ever change. Growing up in the mean streets of Brooklyn, New York has created an edge and roughness that she embraced. Everything around her seems to crumble right before her eyes when she discovers that the man she spent the last year loving and living for, was keeping a secret that would tear her apart. Britain has been fighting her whole life, all she knows how to do is survive. Though she knew her parents loved her, they had a weird way of showing it. After suffering years of abuse at the hands of her father, Britain has developed a skin thick enough to weather the hardest of storms. Too persistent to ever lose! The ghetto has been known to create warriors! Deja, Britain, and Ariel are no different!.
