Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Children s stories for 9 years and above. There s no magic, just real science. Enter Meshyah s world with her friends, Jasmine and Oswald. They live several years in the future, under a dome on Antarctica, the Earth s largest continent. Learn how a wondrous tree grew on Shy s house and the hazards they face living under their protective dome when part of it falls. You will enjoy Antarctica of the future. Shy writes, with Jazz and Ozzie, of the major event each year. She records them in a five-year journal. When it s complete they hope to send it back in time so the future of the world will be known. If you re reading this, she must have succeeded. Each story now available separately in Kindle editions. Quote from book: It was all kept very secret in the past as they began planning and building the first of these project domes. So, I guess you could say I m telling you the secrets of my world. I hope when you read of my experiences with my friends, you might wonder how something so huge could be kept secret for very long.
