Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . It tells us what these phenomena are, separates them into their constituent elements, and refers them to their antecedents or conditions; it discovers the principles upon which they are based, the laws which govern them; it explains their origin and traces their development. In short, it reflects upon them, thinks them over, attempts to answer all possible questions which may be asked with reference to them....
