*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Driftwood is a collection of wonderful poems, preceded by a delightful short story. The true-life account, Quacker House, The Raising of Six Ducks, will appeal to children as well as the young at heart. Violet Overmyer penned this story and her award winning poems in the late 1930s and early 1940s. Like pieces of driftwood, her works finally came to shore at Brass Hinge Publishing. Step back in time and enjoy her charming view of life. These are thoughts, written by a loving schoolteacher, from an era when life was more than just living.
