Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Dissolution of American Union Question Was the Father of his Country living to-day, at Mount Vernon; if our respectable friend, the lamented George, had not slipped clean over the borders of time, into the abyss of no-time, and respectable Christianity-Heaven, if there was so much as the faintest shade left of respectable patriot; whom the present Editor could consult, the present Editor would consult; but in the place of all that, mere frantic Abolitionists, retired India Merchants, no fraction of that remaining, the present Editor must do the best he can, and trust in some measure to his brains, and crib from the Newspapers. For it is a fact in America to-day, that what are called things, have come to a considerable pass, and may, without great difficulty, get to a much considerabler pass. America is no longer considered absolutely the seventh Heaven, and there are reasons for this. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
