Brand New Book ***** Print on Demand *****.Little Red-Cap - Little Red Riding Hood - The Brothers Grimm - The story revolves around a girl called Little Red Riding Hood. In the Grimms and Perrault s versions of the tale, she is named after the red hooded cape/cloak that she wears. The girl walks through the woods to deliver food to her sickly grandmother (wine and cake depending on the translation). In the Grimms version, she had the order from her mother to stay strictly on the path. A mean wolf wants to eat the girl and the food in the basket. He secretly stalks her behind trees, bushes, shrubs, and patches of little and tall grass. He approaches Little Red Riding Hood and she naively tells him where she is going. He suggests that the girl pick some flowers; which she does. In the meantime; he goes to the grandmother s house and gains entry by pretending to be the girl. He swallows the grandmother whole (in some stories, he locks her in the closet) and waits for the girl, disguised as the grandma. When the girl arrives, she notices that her grandmother looks very strange. Little Red then says, What a deep voice you have! (The better to greet you with), Goodness, what big eyes you have! (The better to see you with), And what big hands you have! (The better to hug/grab you with), and lastly, What a big mouth you have (The better to eat you with!), at which point the wolf jumps out of bed, and eats her up too. Then he falls asleep.
