A number of persons have assisted in the preparation of this report. Special thanks are due to Superintendent John T. Hutzky, Chief Park Ranger Ronald A. Wilson, and Interpretive Specialist Calvin Hite, of Upper Delaware National Scenic and Recreational River, for sharing their ideas on the nature of research required for the project, making available to me the park files for reference purposes, conducting me on a guided tour of the structure, and providing me with the names of local people to interview. George Hartman and Mary Curtis of the park staff also provided useful information on the location of local residents to interview. John W. Bond, Associate Regional Director, Planning and Resource Preservation, mid-atlantic Regional Office, and two members of his staff, Clifford Tobias, Regional Historian, and Sandra Hauptman, Park Planner, also provided useful suggestions and available documentation from their files for the report. Ronald W. Johnson, Chief, Cultural Resources Research, also made helpful suggestions and provided useful documentation for the report. My thanks also go to Evelyn Steinman.
