

Richard: The Ethics of Affection (Paperback)

By Katherine Woodbury

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Recently appointed to a hoped-for government post, Richard St. Clair struggles to suppress less-than-appropriate feelings for his new assistant, especially since he's seen through her disguise. He's a formally engaged man, after all. And he's got everything under control—until an unknown adversary slips him a love potion that unleashes his true affections. With the help of his once-enchanted sister, his policeman brother-in-law, and the woman he really loves, Richard scours Kingston for his foe and way to ethically express his heart's desires. The second installment in the Roesia series, Richard: The Ethics of Affection continues the story of the St. Clair family begun in Aubrey: Remnants of Transformation.
