Reviews

These kinds of pdf is every thing and helped me searching ahead and much more. It generally does not expense an excessive amount of. You wont sense monotony at at any time of your time (that's what catalogs are for regarding should you question me).
(Prof. Angelo Graham)

THE STUPIDITY PARADOX

To read **The Stupidity Paradox** eBook, please access the hyperlink under and save the document or have accessibility to other information that are have conjunction with THE STUPIDITY PARADOX ebook.

Paperback. Book Condition: New. Not Signed; Something strange is happening in our knowledge economy: organisations everywhere are encouraging smart people to do stupid things. At its extremes, this kind of systematic stupidity can be catastrophic: witness the institutional blindness in financial services that led to the crisis of 2008. But we can all relate to more everyday examples of losing touch with the need to question the dubious and criticise the absurd, from unsustainable management fads or the cult of leadership and strategy through to an over-reliance on brand and image. And what happens when we allow these behaviours to spill over into our lives outside work? The Stupidity Paradox tackles head-on the pros and cons of a culture of questioning and challenge. Harmony and action at all costs can be attractive and can also bring short-term benefits. But, ultimately, the book is a wake-up call to all of us to be alert to behaviours that discourage critical thinking, and to use our intelligence to the full in the interests of personal satisfaction, organisational success and the performance of the wider economy and society as a whole. book.
