BATH AND WELLS (CLASSIC REPRINT) (HARDBACK)**DOWNLOAD**

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Bath and Wells Can easily be recognized. Articles found among the ruins may be seen in the Pump-room; other Roman remains are plentiful at the museum close by. Adjoining the larger bath is a fine circular bath; in addition to this and several others there were vapour and hot air chambers. It may almost be said that what the Romans did not know about bathing is not worth knowing, even if they were not our masters in this as in some other respects. They reached Bath by important roads from Cirencester on the north, Silchester and Marlborough on the east, and Exeter on the south west; and from Bath they had a road, apparently crossing the Severn at Aust, leading to Caerwent and Caerleon. Some of these roads are probably pre Roman. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
