

Walls: Why Racism and Sexism Don t Matter.as Much (Paperback)

By Josh Nsangi

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.WALLS: Why Racism and Sexism don t matter.As Much Are our political leaders the only ones significantly shaping the course taken by our post-modern civilizations? Now, more than ever, the notion of puppet leaders, although extreme, and somewhat inaccurate, is often the go-to concept, for the frustrated working-class person, who not only lost his/her job but likewise their life-long savings, in an economic crash, of which, little responsibility was theirs in bringing about. In Walls, although the author alludes to elite-rule, both political and socioeconomic in kind, he shies away from economic and financial jargon for his explanations, instead relying on anthropological, historical and sociological approaches. The book attempts to illustrate that the frictions within factions in society, between whites and non-whites, men and women, are resultant from wealth disparities within the society, or rather, that, it boils down to jealousy on one side and greed on the other. Thus, the author paints a vivid sketch of how notions of racial, as gender antagonisms, can be attributed to the inherent exploitative methods of rule, by the political, power and socioeconomic elites. This...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ms. Fatima Erdman**

Totally among the finest pdf We have possibly read through. It usually fails to price a lot of. I discovered this book from my i and dad suggested this pdf to learn.
