Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Many people are frustrated and have given up on their dreams because the situation they are facing seem to have shattered their dreams. They feel powerless and hopeless about their situations. In this book, I look at the account of the valley of dry bones recorded in the book of Ezekiel. With practical examples, I reveal that nothing is impossible with God, He can change any situation. No matter what you are going through, God is able to change your story. In this book, you will see the importance of the hand of God in reversing what is considered irreversible, you will see how the hand of God can change any situation. You will also see the different kinds of valleys people are likely to encounter in life and how the hand of God can see them through every valley. You also see how understanding the attributes of God can help you trust God for your miracle. In this book, the importance of receiving the word of God and speaking God's word in our situations is also clearly explained.
