Random House Audio Publishing Group, 2017. CD-Audio. Condition: New. Abridged edition. Language: English . Brand New. Jonathan Kellerman is a master at creating psychologically nuanced novels of suspense--an author whose name is synonymous with unrelenting action, intriguing plot twists, and penetrating insight into the criminal mind. Now he ventures into bold, new territory with his biggest and best novel yet. *A Cold Heart* features Kellerman's brilliant signature style--but in this tour-de-force he mines even deeper the emotional landscape of his characters: psychologist-sleuth Alex Delaware, LAPD homicide detective Milo Sturgis, Milo's colleague Petra Connor, and Alex's ex-lover, Robin Castagna--bringing them all vividly to life as never before. I've got a weird one, so naturally I thought of you, says Milo Sturgis, summoning his friend Alex to the trendy gallery where a promising young artist has been brutally garroted on the night of her first major showing. What makes it a weird one is the lack of any obvious motive, and the luridly careful staging of the murder scene--which immediately suggests to Alex not an impulsive crime of passion . . . but the meticulous and taunting modus operandi of a serial killer. Delaware's suspicion is borne out when he compares notes with Milo's associate, Petra Connor, and her new partner, a strange, taciturn detective with a past of his own named Eric Stahl. The Hollywood cops are investigating the vicious death of Baby Boy Lee, a noted blues guitarist, fatally stabbed after a late-night set at a local club. What links Baby Boy's murder with that of painter Juliet Kipper is the shadowy presence of an abrasive fanzine writer. This alias-shrouded critic's love-the-art/disdain-the-artist philosophy and his morbid fascination with the murders leads Alex and the detectives to suspect they're facing a new...
