## FALLINGWATER: FRANK LLOYD WRIGHT S ROMANCE WITH NATURE (HARDBACK)

[DOWNLOAD](#)

UNIVERSE PUBLISHING, United States, 1996. Hardback. Condition: New. Reprint. Language: English . Brand New Book. Frank Lloyd Wright was once asked if he went to church. He responded that his church was Nature with a capital N. A reverence for nature permeated Wright s work from the beginning. The sun, trees, stones, and water were elements of the natural world that Wright studied and ultimately incorporated into his style of organic architecture. Fallingwater--Wright s masterwork--is considered his sublime integration of building and nature. Deep in the lush Pennsylvania forest, Fallingwater rises as a testament to Wright s genius. Nowhere else is his architecture felt so warmly or appreciated so intuitively. Wright s deep understanding of nature and man s place in nature is presented through this architectural icon. An abundance of beautiful photographs of Fallingwater, elegantly framed by its dramatic natural setting, illuminates the naturally inspired features of Wright s masterpiece. Wright authority Lynda S. Waggoner s introduction--along with excerpts from Wright s observations of nature and quotes from philosophers such as Emerson and Thoreau, who profoundly influenced Wright s thinking--reveals how this legendary twentieth-century architect made the natural world a central element in his revolutionary approach to architecture.
