Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Our people intend to abide by that verdict and to enforce the mandate. They rejoice at every evidence of acquiescence. They look forward to the day when the distinctions of North and South shall have melted away in the grander sentiment of nationality, , But they do not! think it is a good and safe to place the centre of this great work in your hands. In the hands of some of you they will be safe, perfectly safe; but to the hands of the united South, joined with the most reactionary elements of the Northern Democracy, our people will not yet surrender and deride the Government. I am aware that there is a general disposition to let bygones be bygones, and to judge of parties and of men, not by what they have done, but by what they know and what they propose. That view is partly just and partly erroneous. It is just and wise to bury resentments and animosities. It is erroneous in this, that parties have an organic life and spirit of their own--an individuality and character which outlive the men who compose them; and the spirit and traditions of a party should be considered in determining their fitness for an age and a nation. For this purpose I have reviewed the history of the Democratic party, I have no disposition nor would it be just to shield the Republican party from fair and searching criticism. It has been called...
