At the Council held Saturday, February 8, it was resolved that a paper cannot in general be read at an Evening Meeting unless the same shall have been deposited at the Societys rooms by noon of the day of Meeting. For Sale. A transit instrument and clock. The transit instrument, by Jones, is of 3-in. aperture and 5-feet focal length and firmly mounted on stone piers. The clock, by Hardy, is a very good one, there being no difference between its summer and winter rates. Apply to Mr. Hough, Wrottesley, Wolverhampton. Superior Achromatic Refractor, 4! inches aperture, by Mr. Peter Dollond, 6 feet focal length, with tinder and four eye-pieces, mounted on new improved Varleys Stand. Price 30. Apply to Edward...
