For Principles of Macroeconomics courses at two- and four-year colleges and universities. Reveal the relevance of economics through real-world business examples. One of the challenges of teaching Principles of Macroeconomics is fostering interest in concepts that may not seem applicable to students' lives. Macroeconomics, Fifth Edition makes economics relevant by demonstrating how real businesses use economics to make decisions every day. Regardless of their future career path—opening an art studio, trading on Wall Street, or bartending at the local pub—students will benefit from understanding the economic forces behind their work. This program provides a better teaching and learning experience—for you and your students. It will help you to:

- * Personalize learning with MyEconLab: This online homework, tutorial, and assessment program fosters learning and provides tools that help instructors to keep students on track.
- * Show students...
