Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Report on the Rosenwald School Buildings, Vol. 1 The types of buildings, now being erected with Rosen wald aid, are so much better than those which preceded, that one is loath to criticise or in any way point out faults. Nevertheless in the interest of progress and economy, both in planning and construction, there is still room for much improvement. The one-teacher type with industrial room, such as is represented in general by No. 11 in the Tuskegee Plans, is being used too generally as a two-teacher school.
