Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Use this book to learn more about the fascinating mythology from Ancient Greek for a limited time at the DISCOUNTED price of \$11.99; Now with a Bonus Chapter about the Epic Clash of the Titans and Gods In 1955 the poet Robert Graves wrote that Mythology had two main functions. One of these functions was to answer those awkward questions that many children ask, such as Who made the world? , Where did people come from? , and What happens when we die? . The other was a more adult function; it was used to justify the reason behind an existing social structure and explain where traditional customs and rituals came from. The stories about the gods, goddesses, heroes and monsters that the ancient Greeks told were part of their every day lives. Those stories explained everything from the weather changing to the sun rising on a new day to why bad things happened to good people. Those stories gave meaning to the world. No matter how much time has passed, the lessons and legends told by the Ancient Greek society often have a relevant message to convey to us even today! Greek mythology unfolds before you as you educate yourself about the myths of primordial means by which the world came to be as perceived by the Ancient Greek society and the folklore they passed down through the ages. From Achilles and Troy to The 8 Labors of Hercules, to the clash between the heroic Olympians and the mighty Titans. Unmatched in appeal, Greek mythology, with its origin in antiquity, still manages to captivate the minds of the world, you need not look any farther than new A-list movies that...
