iUniverse, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The hatred didn't exist at the beginning of the war. But soon after the Battle of Queenston Heights and the death of General Brock, the War of 1812 became more a case of survival of the fittest. Besides the brutal fighting; perhaps the most notable aspect of the War of 1812 was the hatred. If not, then why would the dead remain restless? It was a barbaric war; in an inhospitable climate; with an abundant number of ghost creating opportunities. There were nasty endings from bayonets, swords, musket balls and cannon balls; plus, two huge explosions at Fort York and Fort Erie which resulted in missing bones and unmarked graves. If you add savagery and death by tomahawk to the following; then death from drowning, freezing, disease, burning and sickness would include a greater number of victims than the major battles. If you thought that being wounded was a better fate, then think again. Instead of a proper pain killer, the wounded were given rum and a musket ball to clamp between their teeth while they braved the most hideous fate possible for wounded soldiers: the barbaric battlefield medical practice of amputation. If a soldier's last memory on earth was being wounded before he died, then that agony might also survive the grave. Because both America and Britain were not prepared to wage a war with each, there was a shortage of regular soldiers to command in 1812. Therefore, the North American armies were also comprised of militia, Native American Indians and part-time soldiers. Moreover, what started as a political row in the seats of power became more of a personal matter at the local level....
