VHA provides health care services, including pharmacy services, to approximately 6.7 million veterans and their families. To do so, clinicians and pharmacists rely on VA s health information system. The National Defense Authorization Act for Fiscal Year 2003 required VA to ensure it has a pharmacy system that is interoperable with DOD s system. A provision in Senate Report 114-57 required GAO to examine VA s acquisition and use of a pharmacy system. GAO determined whether (1) VA currently possesses a functioning pharmacy system and the extent to which the system enables data to be viewed, shared, and transferred among VHA pharmacy locations; (2) VA s pharmacy system is interoperable with DOD s, and whether this system, or the absence thereof, is impacting service members who transition care from DOD; and (3) VA has implemented its pharmacy system in accordance with health care industry practices. GAO analyzed documentation describing VA s pharmacy system; observed system demonstrations; analyzed plans and actions taken to achieve interoperability with DOD; and identified industry practices related to pharmacy systems, and compared them to VA s system...
