ABOUT THE LESSON SERIES The Scriptures predict end-time catastrophes and global upheaval as foretold by Gods Hebrew prophets over 2,000 years ago in the books of Daniel and Revelation, and confirmed by Jesus Himself in the Gospels. These 30 lesson guides will take you step by step through the prophetic books, spelling out how the Word of God foretold these troubling events now playing out in our modern world. The prophets warnings must be followed very closely, because great deception will overtake the masses in order to divide the faithful and wise from the wicked just before the arrival of the King and His Kingdom. The countdown to Middle East hostilities is already on the march, and the U. S. led war against Iran is at hand, which signals final events have officially begun. World War III and nuclear holocaust are nearer than anyone can imagine. The powers of Heaven and principalities of the air are about to intersect with Planet Earth in a very visible way. Our future and eternal destinies are at stake, and all will hinge on the decision that we each must make to either give homage at the cryptic arrival of the end-time religious leader warned about in the prophecies, or to walk by faith against the prevailing wave of deception to follow the warnings in Daniel and the wisdom in the book of Revelation--the testimony of Jesus Christ (Revelation 1: 1-3). This item ships from La Vergne, TN. Paperback.
