Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. It s time to finish what he started. A young girl is snatched in broad daylight from outside her school and later found brutally murdered and hanging from a tree. When recently retired San Francisco Police Inspector, Bob Farrell, sees this on the news, he realises his worst nightmare has just come true. The same brutal killer a government agency stopped him from putting away twenty years before is once more on the loose. As the killer wreaks a trail of blood and destruction across North America, Bob Farrell sets out to track him down. But Farrell s not playing by the rules any more than the killer is, and soon the FBI have both of them in their sights. A visceral and heart-wrenching cross between No Country For Old Men and Silence of the Lambs, this is an exhilarating debut from a new author who will be thrilling crime fiction fans for many years to come.
