Warning: Contents of this book may cause side effects such as addiction to the Word of God or Kingdom-seeking tendencies The best bible study tool is: A QUESTION. The first five letters of the word question spell QUEST: a journey. . . an adventure. . . a search for answers to mysteries. My hope and my aim with Hidden Treasures of the Kingdom is to send the reader on a quest within the covers of the greatest book ever written, the Bible. Ive asked the publisher for wide margins and spaces for you, the reader, so that you can make your own notes and write your own questions as they come up in the course of your treasure hunt. This book is my unabashed attempt to hook you, the reader, on a life-long quest for the Kingdom and all the treasures that are hidden within. - Carla J. Goodwin The author reviews the hidden principles and promises found in the Bible which will empower Christians to live a transformed, Kingdom-based life. Examining topics such as sowing and reaping, materialism, faith, anxiety, bondage to sin, and the origins of love and wisdom, this book lays out the basic framework of Christianity in an easy-to-understand format. - Brittnee Newman, Editor Xulon Press Like all of the best teachers, Carla helps us understand the Bible by not telling us what to think, but rather how to think and find answers for ourselves when we read The Word. - Adam Dunigan This item ships from multiple locations.
