AFTER LEGALIZATION: UNDERSTANDING THE FUTURE OF MARIJUANA POLICY

[DOWNLOAD](#)

Fdl Writers Foundation, United States, 2014. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. After Legalization: Understanding the Future of Marijuana Policy is a groundbreaking new book examining how legal marijuana will likely be treated in the United States 20 years from now. According to Gallup 58 of Americans support ending marijuana prohibition, and Colorado and Washington State have already passed historic ballot initiatives to tax and regulate pot. When it comes to marijuana in the United States, it is no longer a question of when, but how it will be legalized. After Legalization is a creative exploration of one likely future for legal marijuana that will give readers a sense of the coming battles, relevant players and political dynamics which will dominate the issue in the coming years. How will it happen, and what will America look like after legalization? What should be the age limit? Will we tightly restrict its sale to only a few specialty stores, or will it be allowed on the shelves at every shopping market in the country? Should we give individuals free rein to grow as much as they want, or will we limit production to a few licensed farms? If you care about the answers to these and other questions concerning the future of marijuana policy, this is a pivotal moment to join the conversation; the decisions made now will likely define the industry for decades to come. PRAISE FOR AFTER LEGALIZATION: GLENN GREENWALD, JOURNALIST: Jon Walker has established himself as one of the most diligent, insightful and important young policy writers in America, and this new book cements that status. America is finally coming to terms with the stark irrationality and destructiveness of its criminal prohibitions on marijuana, rendering legalization inevitable. Walker s hard-earned expertise...
