Balboa Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Day in and day out, I saw young adults making horrible choices that altered their lives forever. They didn't realize what power they had to control their lives. Even at a young age, they had more power than they gave themselves credit. They can alter their destiny for good or bad. It is all up to their attitudes and their choices. This book is intended to help people 12 years of age and older work through the difficulties in their life. It is an eye opening book of true stories that is designed to help people realize the impact of their choices. Their choices not only impact themselves, but others around them. I wish I read a book similar to this book, when I was younger. It would have helped me put things into perspective!.
