*It is one of my personal favorite books. It is one of the most incredible books I have ever read. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

Stories found in Horse Stories The Naming of Black Beauty book: # Old Gunpowder and the Ghost by Washington Irving # Pegasus, the Winged Horse by James Baldwin # The Naming of Black Beauty by Anna Sewell # The War Horse of Alexander by Andrew Lang An extract from The Naming of Black Beauty: Just then a horse s head looked over from the stall beyond, the ears were laid back, and the eye looked rather ill-tempered. This was a tall chestnut mare, with a long handsome neck. She looked across to me and said, So it is you who has turned me out of my box, it is a very strange thing for a colt like you to come and turn a lady out of her own home. I beg your pardon, I said, I have turned no one out, the man who brought me put me here, and I had nothing to do with it, and as to my being a colt, I am turned four years old and am a grown-up horse. I never had words yet with horse or mare and it is my wish to live in peace. Well, she said, we shall see. I said no more.
